

# Music@Bethel

We offer two options to purchase regular series tickets:  
 (Chicago Children's Choir concert tickets sold separately)

**Flex Pass**—a punch card with 6 concert admissions. You may attend all three concerts with a friend or attend one concert with five friends (or any other combination you can think of). This option is great for music lovers who want to support Music@Bethel, but can't commit to every concert in the series.
